REPORT OF BEST CORPORATE PRACTICES IMPLEMENTATION

ISSUER CORPORATE NAME: Titularizadora Colombiana S.A.

PRINCIPAL LEGAL REPRESENTATIVE: ANDRÉS LOZANO UMAÑA

LEGAL REPRESENTATIVE DESIGNATED FOR SUBMITTING THE IMPLEMENTATION REPORT: RICARDO MOLANO LEÓN

REPORT PERIOD: January - December 2022

REPORT DATE: January 27, 2023

INTRODUCTION

The implementation of the recommendations provided by the new Code of Best Corporate Practices of Colombia should be reported by the issuers to the Financial Superintendence of Colombia (FSC) by wayof this Report of Best Corporate Practice Implementation.

The aim of this report is to inform the exchange market of the issuer's implementation of or failure to implement the *Codigo*'s recommendations. To this effect, in front of each recommendation there are three boxes that correspond to YES, NO, and N/A answers, as well as a space to elaborate on the answer as follows:

For a YES, the issuer will briefly describe how the implementation has been carried out. For a NO, the issuer will explain the reasons to fail to adopt.

An N/A answer is given only when upon legal reasons the issuer cannot adopt the recommendation. In such a case, the issuer will indicate accurately the law or regulation that prevents the implementation.

Given that certain recommendations are comprised of a number of specific items, it is important to highlight that the recommendation is deemed implemented only if all the components are implemented unless there are legal grounds for failing to implement, which will be indicated.

Each recommendation has a box for the date the issuer implemented it for the first time. In addition, there is a box to record the dates of any amendments.

Finally, when due to its nature, the issuer does not have the specific body mentioned in a recommendation, it will be understood to refer to the entity's equivalent body or the body that performs the same functions.
